WHAT IS PROJECT SPARROW?

Sometimes families run into financial hardships
and rather than making them quit or having their
account sent to collection, we pay the tuition for
them for a period of time to help them get back
on track and keep them working towards their
goals and experiencing the benefits of training in
the martial arts at SCS. Collecting for Black Belt
Spectaculars helps us to offset a fraction of those
costs. Throughout the past 12 years, SCS has
helped hundreds of students through this
program. We almost always have about \$2400
per month going out in Sparrow funds. We really
appreciate your donation to this worthy cause.

NEW BLACK BELT IMPORTANT INFORMATION

YOU WILL BE INTERVIEWED ON CAMERA AND PHOTOGRAPHS WILL BE TAKEN ON FEBRUARY 2 BEFORE POWER WEEKEND.

You will need to schedule this time.

You will need your black belt Gi top.

That will be given to you when you do your interviews.

Here are some questions you should be prepared to answer. Please prepare and practice ahead of time with your student. This will keep the camera time short. The answers should not sound overly rehearsed. They should come from the heart!

- 1. Tell us a little about yourself... Your name, age, where you go to school, what you do for a living, favorite hobbies, etc.**
- 2. How did you get started in karate?**
- 3. What's your favorite thing about training in the martial arts?**
- 4. How have you grown since you began your training?**
- 5. Who inspired you in your martial arts training?**
- 6. What do you look forward to as you continue your training?**

If any parents would like to weigh in on their children's growth and be interviewed, please let Ms. Crissi know.
